### "WATER CLAUSES CONSOLIDATION ACT, 1897."

THIS IS TO CERTIFY that the "Sno-Hosh Water, Light and Power Company, Limited," specially incorporated under Part IV. of the "Water Clauses Consolidation Act, 1897," on the twenty-third day of March, 1908, has submitted its undertaking to the Lieutenant-Governor in Council for approval, and that the said undertaking, as shown by the documents and plan filed, has been approved and that the same is as follows:

1. The construction of dams at the points shown on the map filed with the application, on Sno-Hosh Lake, and on a small lake situated on Deadman's Creek, about five miles below Sno-Hosh Lake, for storage of water for power or irrigation purposes on the lands defined on the maps filed with the said application:

2. The construction of canals, ditches, flumes and pipe lines:

3. The acquisition of such lands as may be necessary for the Company's undertaking:

4. The acquisition of water by record or purchase, and the use thereof for irrigation purposes on the lands mentioned in the petition of the Company:

5. Generally the powers set out in the Memorandum of Association.

It is hereby expressly declared and provided, that after so much of the three thousand miner's inches of water, mentioned in the three records thereof, issued to M. S. Wade, and referred to in the petition of the Company, has been reasonably used for the irrigation of the lands for which such records were granted, as mentioned in such records, no further part of said three thousand (3,000) inches of water shall be used for any other purpose until sufficient water from Deadman's Creek and said Sno-Hosh and small lakes, not exceeding in all seventeen hundred (1,700) miner's inches is taken and reasonably used by Smith Curtis, or his assigns, for the irrigating and other purposes mentioned in the two records of eight hundred miner's inches, and nine hundred miner's inches granted to the said Curtis, on the 18th February, 1908, by George C. Tunstall, Assistant Commissioner of Lands and Works for the Kamloops Division of Yale District, for use in connection with the four thousand nine hundred and twenty-six (4,926) acres, (excluding 219 acres thereof) in the southern part of Deadman's Creek Indian Reserve, mentioned in said records, issued to said Curtis.

And it is also expressly declared and provided, that in the event of any question arising between the Company, its successors or assigns, and the said Smith Curtis or his assigns, as to the storing of water under their respective records in said Sno-Hosh Lake (also known as Deadman's or Mowich Lake), such questions may be referred, settled and disposed of under and in accordance with section 34A of the "Water Clauses Consolidation Act, 1897," and amendments thereto.

And this is further to certify that the amount of the capital of the Company, which will be duly subscribed for carrying on its undertaking, is hereby fixed at the sum of twenty-five thousand dollars (\$25,000.00) before it exercises the powers conferred by the "Water Clauses Consolidation Act, 1897," and amending Acts, and such capital shall be subscribed and twenty-five per cent. thereof actually paid up within three months from the date hereof; and the times within which the undertaking and works are to be commenced and completed are three months and two years, respectively, from the date hereof.

It is further hereby expressly declared and provided, that the right to convey the water of Sno-Hosh Lake and said small lake and Deadman's Creek for use on lands on the south side of the Thompson River, shall not be exercised in priority to the actual bona fide exercise of any right that may hereafter be obtained by any person or corporation to use said water on any lands on the north side of said Thompson River for irrigation purposes, and nothing herein contained shall prevent the obtaining of any such right by bona fide applicants therefor.

And subject, as aforesaid, such application is hereby approved.

Dated this 24th day of March, 1908.

Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act, —shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House, to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. 61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as

to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

A BY-LAW

To provide for draining parts of the Township of Chilliwack, and for borrowing on the credit of the Municipality the sum of seventeen thousand dollars (\$17,000) for completing the same.

[Provisionally adopted the 7th day of March, 1908.]

And whereas thereupon the said Council procured an examination to be made by H. Neville Smith, Civil Engineer, being a person competent

This sum I assess, as in the annexed Schedule, against the lands benefited by this work lying to the north of the Prairie Central Road, being assessed proportionately for digging Prairie Central Road Ditch and cleaning Semiault Creek from mouth to Prairie Central Road, as detailed on estimate, and the land lying to south of Prairie Central Road proportionately for cost of entire scheme.

The work as a whole is to be kept in repair and maintained at the expense of the lands assessed for the work herein reported, and the said lands paying in the same relative proportions as for said work.

And whereas the said Council is of the opinion that the drainage of the locality is desirable:

Be it therefore enacted by the said Municipal Council of the said Township of Chilliwack, pursuant to the provisions of the "Municipal Clauses Act":

for such purpose, of the said locality proposed to be drained, and has also procured plans and estimates of the work to be done by the said H. Neville Smith, and an assessment to be made by him of the land to be benefited by such drainage, stating as nearly as he can the proportion of benefit which, in his opinion, will be derived in consequence of such drainage by every lot or portion of lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said H.
